

MEET THE GLOBAL SALES AGENTS

Hanbi Kim - South Korea

Research Engineer, New Business Development Team - Institute of Global Sustainability Certificate (IGSC) Inc. in South Korea

Hanbi Kim joined IGSC in 2021 to focus in the fields of social audits and zero waste. She is involved in helping to develop the Global GreenTag International Product Certification brand and product certification services to manufacturers in the Republic of Korea.

For IGSC, Hanbi also assists in auditing for Vegan, Gluten free, Nuts free, Lactose/Dairy free product certification, for pet related product certification, and Sustainable Tourism.

Hanbi holds a Bachelor of Social Science (Major in Social Welfare) from the University of Chongshin in Seoul with previous industry experience as a consultant for Life Cycle Assessments, Zero Waste, Sustainability and Carbon Management Strategy.
