GLOBAL GREENTAG INTERNATIONAL IT

Brendan Zheng Ying Siah
Software Development Assistant

Brendan is currently undertaking the final semester of a Master's Degree in Computer Science at The University of Queensland and holds a Bachelor's Degree in Information Technology. Brendan has hands-on experience in mobile application development, supporting projects across the full development lifecycle from documentation and prototyping through to implementation and testing.

Brendan brings strong technical documentation capabilities, including proposal writing, code explanations, and setup guidelines, supporting clarity and maintainability across projects. Works within agile development environments, contributing to structured delivery through regular communication, progress updates, and collaborative problem-solving.

Within his role at Global GreenTag, Brendan is developing a cross-platform mobile application for Global GreenTag users, contributing to its design, development, and delivery using React Native.

GLOBAL GREENTAG INTERNATIONAL

Global GreenTag™ International Pty Ltd assesses products for all aspects of impacts on human health, ethical labour supply and the environment. The company was established in 2010 as a third party verified Conformance Conformity Assessment Body that conducts the award winning Global GreenTagCert™ certification program, and a third party, multi-criteria, consensus based and externally verified Type 1 Ecolabelling Program that complies and operates under strict International Standards. Global GreenTag is legally approved as a Certification Mark operator by the ACCC in Australia and by equivalent government agencies in NZ, USA, Canada, and South Africa.

Global GreenTag websites and all marketing collateral for every product certified by Global GreenTag is verified as 'fit for purpose' and compliant with ISO 14021. What's more, Global GreenTag's governance and its own external verification and certification against standards such as ISO 14024 (Ecolabelling), ISO 17065 (Conformance Assessment) and ISO 9001 (Quality Management) among others, is unparalleled.

Voted one of the Top 100 Most Trusted Brands in Australia for 3 years running, Global GreenTag currently has more than 20,000 products in certification by over 300 manufacturers with factories in more than 20 countries. Global GreenTag™ certified products are determined as healthy for use using the best science available, with the results being peer reviewed by highly qualified, external consultant Toxicologists.
